

**COUNCILMAN JAMES MICHAEL BOWERS
NORTHEAST CITIZENS' MEETING
THURSDAY, FEBRUARY 20, 2020**

**Tim Byrne
Engineering Services Manager
Transportation & Utilities Department**

We are very pleased to welcome **Tim Byrne** as our guest speaker this month! Tim has served as Maintenance Operations Manager for Lincoln Transportation & Utilities (formerly Public Works & Utilities) since 2017. His prior roles with the department include construction project management and asset management since joining the City in 2007. Prior to his time with the department he spent more than a decade in the private sector, employed with construction and engineering firms.

Tim is a licensed County Highway and City Streets Superintendent. His educational background includes degrees from Southeast Community College and the University of Lincoln, Nebraska. Tim and his wife, Joelle, have twin five year old daughters and a six year old son. They live on a small farm in Roca where they grow corn, soybeans, hay, and also have a few horses.

Tim will be providing an update on the Winter Operations Technology the Lincoln Transportation & Utilities department is utilizing to provide better service and greater efficiency to the constituents of Lincoln, what the city is doing with current winter weather operations, and sharing recommendations from the Winter Weather Taskforce!!

We look forward to you joining us for this month's Northeast Citizen meeting!!
